Car-Free in Waikiki

Is it possible to visit Honolulu without a car? **Shoreline Hotel Waikiki** and **Coconut Waikiki Hotel** say yes. Through 2015, the Joie de Vivre properties are joining Pedal Bike Tours to present a city bike tour that includes local attractions, public art displays, and a ride under O'ahu's banyan trees.

Rates start at \$409 per night, based on a two-night minimum, and include a Pedal Bike Tours outing for two, discounted two-day bike rental for two, two eco-friendly Pedal Bike Tour T-shirts, and reimbursement for eco-friendly airport transportation through EcoCab Hawai'i. jdvhotels.com. —Benjamin Allen
